

Kirk's Makes Bath and Shower Time Simpler with 3-in-1 Personal Cleanser

New Line is Formulated To Naturally and Affordably Nourish Hair, Face and Body

ERLANGER, KY., October 24, 2018 – For multi-tasking parents and kids scrambling to get to work and school in the morning, bathroom time can be a precious commodity. Cleaning routines usually involve several products, and few “multi-purpose” hair and body washes are both effective and natural.

Building on its 180 year legacy of providing natural and functional personal cleansing products that are also affordable, Kirk's today introduces its time-saving new liquid 3-in-1 *Head to Toe* Nourishing Cleanser for hair, face and body.

The non-toxic, biodegradable formulations are free from artificial fragrances, phthalates, sulfates, parabens, EDTA and colorants. Available in two scents, Original Fresh and Juniper & Lime, the 3-in-1 Nourishing Cleansers, like all Kirk's products, are dermatologist-approved, using natural ingredients, including 100% Premium Coconut Oil and Aloe Vera, to gently shampoo, cleanse and moisturize - perfect for those family members with sensitive skin.

“I am as excited to have Kirk's new 3-in-1 cleansers in my home, as I am to share them with moms and families everywhere,” says Katherine Jarnigo, Sister & Co-CEO of Kirk's. “These time-saving and effective multi-purpose cleansers are safe for kids and your home, and are certified cruelty-free and vegan, for the most conscientious households.”

Retailing in family-sized 32 fl. oz. packaging, with a convenient pump dispenser, the 3-in-1 products will be available nationwide starting this fall, at \$10.99.
